Know About us

Established in 2013, Indian Ispat Work Pvt. Ltd. is one of the leading manufacturers of Structural Steel insituated at Rawabhata, Raipur (Chhattisgarh). In the supervision of Amit Chhugani & Dilip Chhugani, Indian Ispat Work Pvt. Ltd. has been working since 1997. They entered the business of steel in 2005 and took initiative to build a reputation in the steel market. His hard work & determination took the company to the forefront in the market.

Indian Ispat Work Pvt. Ltd. is an ISI 2062:2011 Certified Company, engaged in production and supply of steel re-rolling plants in different types and capacities. Our product specification are ISI 2062:2011- hot rolled medium and high tensile structural steel and ISI 2831- 2012- Carbon steel cast billet ingots, billets for re-rolling into structural steel.

Indian Ispat Work Pvt. Ltd. product portfolio includes MS Angles, MS Channels, MS Square, MS Flats, to match diverse industrial and agricultural demands. We excel as a reputed manufacturing unit of all types of MS products and specialize in customized development as well.

Our Vision

Our vision to manufacture high quality structural steel in a cost effective manner was fulfilled in the year 2013 when we started manufacturing structural steel through Continuous Casting & Hot Rolling concept and again we feel proud to introduce ourself as one of the limited plants in India producing small structural steels using Continuous Casting Hot Rolling Concept.

Director Message

We are committed to manufacture and supply in-time quality products as per customer's requirements to their satisfaction; we shall strive to continuously improve the effectiveness of the established quality management system.

Amit & Dilip Chhugani

Director

The Quality

IIWPL is always keen to understand the needs of customers to meet them through stringent quality control of the product (finished goods). To fulfill the vision, the integration plan is designed in such a way that output of one unit becomes input for another unit. Throughout its success trail, the Group and its members have displayed an unwavering passion for setting higher standards for themselves through benchmarking and delivering simply the best to their customers.

Emphasis On Customer Satisfaction

We are committed to manufacture and supply in-time quality products as per customer's requirements to their satisfaction. We shall strive to continuously improve the effectiveness of the established quality management system. We earn our customers' trust and build partnerships to meet their unique needs. We thrive on challenging projects and strive for excellence. We create products for the complete satisfaction of customers in terms of quality, delivery, and cost.

एक कदम स्वच्छता की ओर

स्वच्छ भारत की अवधारणा को संकल्प मान कर हम आगे बढ़ रहे हैं। स्वच्छता ही सुंदरता और अच्छे स्वास्थ्य की जननी है। यही वजह है कि हम अपने कार्यक्षेत्र में स्वच्छता का पूरा ध्यान रखते हैं, ताकि हर कर्मचारी सुंदर और स्वच्छ वातावरण में बेहतर काम कर सके। क्लीन इंडिया की दिशा में बढ़ाया गया यह हमारा छोटा सा कदम व योगदान है जिसके लिए हम हमेशा कृत संकल्पित रहते हैं।
